Logo Use & Style Guide

Classic Yacht Association

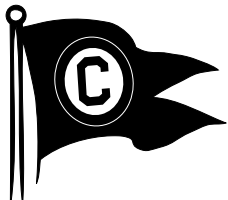

The official logo of the Classic Yacht Association can be used both in conjunction with the logo type and as the standalone burgee motif. When used together, as above, the size relationship between them must be maintained. The logo cannot be altered, added to or otherwise changed from its original format.

The logo must always be presented in its original colors, unless otherwise noted below. This allows for consistency in all iterations across the fleets in all uses.
